You understand and agree that participation in the Beta Program is voluntary and does not create a legal partnership, agency, or employment relationship.

By participating in the Beta Program, You certify that you are of the legal age of majority in the jurisdiction in which you reside (at least 18 years of age in many countries) and you represent that you are legally permitted to join the Beta Program.

The promotion will be adjusted to the content of the following legal bases, hereinafter the Bases.

BASES

1ST: PRIZE.-

The winner will receive a **free training** course scholarship through [ICAEEC](#) and a **2-month** Expert license with **technical support** included. All participants who comply with **section b)** (Promotion procedure) below will receive a **Certificate of Participation**, in addition to a **50% discount** per course at the ICAEEC. The prizes that are the object of this promotion will not be changed, altered or compensated at the request of the winners.

2nd: PROMOTION PROCEDURE.-

- a) To participate in the competition, participants must **register** using the registration form with their contact details.
- b) Contest procedure: In order to be eligible for the prize, a model (there is **no limit** of nodes) must be submitted. The **cf model** file will be delivered, a **report** comparing the results obtained with tests or verification examples and a brief **questionnaire** on software usability.
- c) **Resources** available to participants:
Software: the download will be enabled via the website.
Videos explaining how to use the software
Exercises showing the main characteristics of CivilFEM
Public Forum: A public forum will be set up for the participants, where a technical team will answer their comments and queries.
FAQ will be available to participants.
- d) **Election** of the winner. The winner of the promotion will receive the prizes indicated in section a). Two **substitutes** will be chosen in the event of not being able to contact the winner, according to the rules specified in the following section.
- e) **Communication** to the winner: The results of the contest will be communicated on **June 24, 2019**, through a notice in our **social networks** and **web page** as well as through **e-mail** sent directly to the winner. If after **three** calendar days from the communication, the winner does not claim the prize, then the next substitute will be contacted and so on. If once the winner and the substitutes have been chosen, it is established that some of them do not meet the requirements mentioned in these rules, they will be **disqualified**. See seventh base.

- f) **Prize-giving:** The prizes will be given at the moment the winner requests it since he or she will have **three** months to make use of them from the date of communication.
